# A HARLEM STATE OF MIND

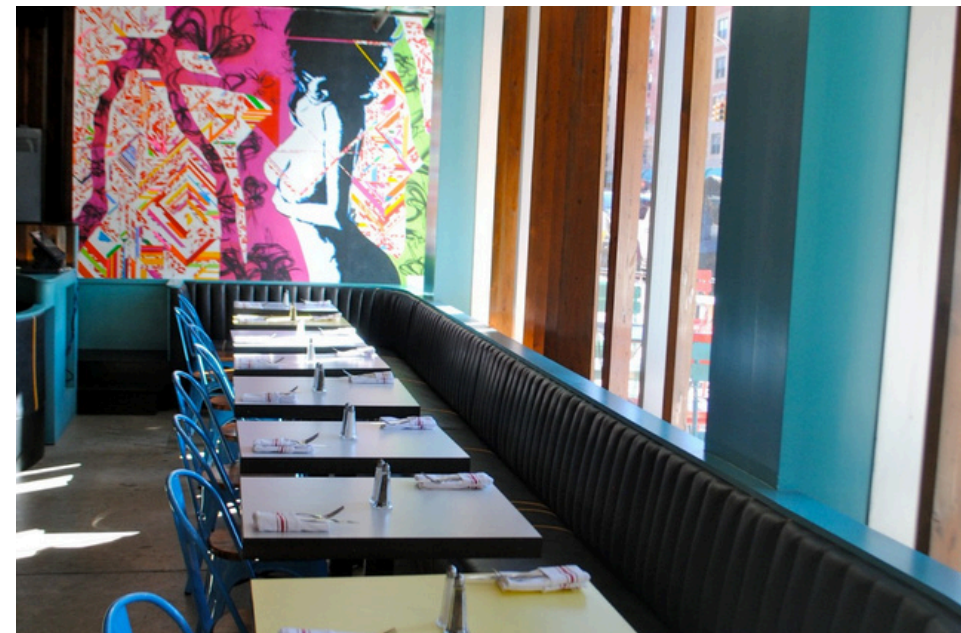

Multi - Cultural Experience of Expression and Flavor

We're more than just a bar or restaurant. We're a space built around community—where people come together to enjoy quality food, drinks, music, and good company. It's about connection, shared moments, and making lasting memories.

ANGEL OF HARLEM

**Angel of Harlem**  
**Come for the vibe.**  
**Stay for the experience.**

Angel of Harlem isn't just a place—it's a scene. A full-service bar and restaurant where Harlem's energy lives and breathes through good food, incredible drinks, and unforgettable nights. Whether you're here for dinner, drinks, DJs, or all three—we've got the space, the sound, and the soul.

Brunch? We love the weekend. Saturdays and Sundays bring live DJs, a packed house, and bottomless drinks with your entrée. If you know, you know.

Celebrating something? We host it all—birthdays, corporate events, holiday parties, or just a night out. From intimate gatherings to full buyouts, our team will set the stage. AV, projectors, sound, DJs—handled. Food and beverage minimums vary by date and time.

Sports fan? Game on. Grab your crew, your drinks, and your spot. Happy hour specials hit every week.
